Presents this

Certificate of Completion

to

Jeremy Bayer

for

Completing

- Motivating Adult Learners
- How Adult Students Learn
- Classroom Management

You are now certified to provide a new classroom environment, including classroom layout, student engagement, and creative teaching methods that will reflect the core values of CCI, be real and meaningful to the students, including creating lesson plans using active learning processes, and implementing techniques and methods for motivating adult learners that will ensure that each and every student's experience is a fulfilling one.

Lynn Truck, Director of Education

September 1, 2010
