LICENSES AND CERTIFICATIONS

Licensed Professional Counselor

State of Georgia | 2013

National Certified Counselor

NCC | 2013

COUNSELING EXPERIENCE

Child Adolescent Counselor

Georgia Mental Health Center | Macon, GA | 2014 - Present

Provide mental health counseling services to underprivileged or court-appointed youth.

- Apply child-centered play therapy under supervision.
- Co-teach three weekly, one-hour mixed psychotherapy and psychoeducational groups for adolescents on eating disorders, bullying, and self-esteem.

Outpatient Mental Health Counselor

Circle Health | Macon, GA | 2012 - 2013

Assessed and treated clients with mental, emotional, and behavioral challenges in an outpatient setting.

- Co-facilitated therapy groups for 5-10 clients using group therapy techniques and interventions.
- Educated families and caregivers on mental health services and resources to strengthen support systems and reduce future behavioral and emotional episodes.
- Identified at-risk patients to deter psychological and emotional episodes; consulted with supervisor and treatment team members to develop individual treatment plans.
- Provided feedback on the patient intake process that streamlined intake forms and reduced processing time.

Intern

Circle Health | Macon, GA | 2011 - 2012

Under supervision, assessed and treated clients with mental, emotional, and behavioral challenges in an outpatient setting.

- Co-facilitated groups for 5-10 clients using group therapy techniques and interventions.
- Educated families and caregivers on mental health services and resources to strengthen support systems and reduce future behavioral and emotional episodes.
- Identified at-risk patients to deter psychological and emotional episodes; consulted with supervisor and treatment team members to develop individual treatment plans.
- Provided feedback on the patient intake process that streamlined intake forms and reduced processing time.

MENTAL HEALTH AND ADVOCACY EXPERIENCE

Health Advocate/Outreach

CHRIS Kids | Atlanta, GA | 2010 - 2011

- Attended 12 health fairs and school service events to educate students on free adolescent mental health treatment options.
- Presented bi-weekly psychoeducational workshops to groups of 10-15 teens that helped reduce risky sexual behaviors.

Court Appointed Special Advocate

Atlanta Child and Adolescent Services | Atlanta, GA | 2009 - 2010

- Supported an eight-year-old child through court appointed services.
 - Facilitated movement into alternative birth family setting from foster care.
-
