## RELEVANT PROFESSIONAL EXPERIENCE

### Student Health Coordinator and Grant Writer

Johnston County Schools | Cary, North Carolina | Jul 2017 - Present

- Coordinate health and wellness efforts throughout a K-12 public school district of more than 14k students.
- Organized the eight components of school health and translated them into district wellness policies, healthy lifestyle evidence based curricula, wellness programs, and resources.
- Exceeded learning and wellness achievements in the five schools that piloted new programs and curriculum during the academic year.
- Awarded a \$500,000 physical education grant to provide classroom equipment and professional development training for 60 professional staff.
- Recognized in 2019 by the Robert T. Durham Charitable Trust for excellence in health and wellness programming.

### Health Activities Coordinator

Johnston County Coalition for Health and Wellness | Cary, NC | Jul 2010 - Jul 2015

- Developed operational plans and policies to achieve health education county objectives and services.
- Designed and conducted evaluations and diagnostic studies in 3 high-risk communities to assess the quality and performance of health education programs in the county.
- Designed and delivered customized health education and promotion programs to at risk communities. Exceeded attendance goals by 40 percent.
- Prepared approximately 3 grants per year for program funding.

### Health Department Intern

Wake County Department of Public Health | Raleigh, North Carolina | Jan 2009 - Aug 2009

- Supported and initiated community based public health initiatives through the community outreach and collaboration, program planning, client counseling, grant writing and project management.
- Collaborated in planning and coordination of a children's health education program in 5 low-income communities in the county.
